Hi Glenn,

Attached is the 2012 Annual Report for GH Dairy #1. I've also attached two enforcement letters for this dairy along with documentation (inspection report) of discharges in 2010.

Hi Ed,

Thanks again for a great inspection week. I scanned through my notes and observed that only 1 facility met the level 1 or 2 rating for potential Administrative Order follow up. This is GH Dairy #1. There are a few others (pending your follow up on details, but they don't appear to be a high risk as in case of GH Dairy #1.). Is this also your opinion as well, or do you feel any other are potential AO candidates?

Please advise.

May I ask you for a favor. I will soon be starting on the inspection report for GH Dairy #1 (and if time allows, perhaps the others as well). Could you please send me an electronic copy of the most recent Annual Report for GH Dairy #1 and any other enforcement history you may have on this dairy, similar to the information you provided to us for our 2011 AO-13 candidates. I anticipate that ORC will request the same information. Thanks Ed.

Glenn
